The AES-Occlusion, TMD, Comprehensive Care is an ADA CERP Recognized Provider. ADA CERP is a service of the American Dental Association to assist dental professionals in identifying quality providers of continuing dental education. ADA CERP does not approve or endorse individual courses or instructors, nor does it imply acceptance of credit hours by boards of dentistry. The AES-Occlusion, TMD, Comprehensive Care designates this activity for 20 continuing education credits. The main conference program is designated for 13 continuing education credits and an additional 7 continuing education credits are available via the post conference workshop.

Current term of Recognition May 2021-June 2024.

Concerns or complaints about a CE provider may be directed to the provider or to the Commission for Continuing Education Provider Recognition at [ADA.org/CERP](http://ADA.org/CERP).
